## WeChat users can now enjoy movies and music through ErosNow Official Account

**New Delhi, June 25, 2015:** Entertainment consumption on mobile screens is increasing by the day. As more and more users turn to their mobile screens for viewing movies, listening music and watching videos, media and entertainment brands all over are vying to capture consumer's attention through small screens. Owing to this growing trend, **ErosNow, the dedicated online entertainment service of Eros International, a leading global company in the Indian film entertainment industry** has announced its Official Account on WeChat. Through this Official Account, WeChat users would be able to enjoy unlimited music, movies and get sneak-peek into all the action and buzz on Bollywood. Eros is one of the first Indian film studio to take such a step on one of the most popular messaging apps amongst youth of the country.

"At WeChat, we have constantly endeavored to bring to our users, content and associations which add value to their overall WeChat experience. Through WeChat's Official Accounts, we have consistently evolved and innovated the kind of partnerships and associations we bring forth to our users. ErosNow is another step towards bringing engaging content and entertainment offerings for our users." said **Nilay Arora, Vice President – Marketing and Business Development for WeChat India**

WeChat users will also be able to share their favorite stuff from ErosNow official account on WeChat to friends through chats or Moments.

*"ErosNow's partnership with WeChat's innovative technology and strong youth base will further enhance the user experience and help meet the demands of today's mobile generation,"* **Karan Bedi, COO, Eros Now.**

Techzone is the platform partner for ErosNow's channel on WeChat.

To follow ErosNow Official Account (on Android/iOS), WeChat users need to search for "ErosNow" in the search bar or scan the QR code below. Then follow the instructions in the welcome message to get started!

## **ABOUT WECHAT**

WeChat envisions and innovates new ways for people to connect, communicate and share. A mobile social communication app designed for smartphone users, WeChat is one of the world's fastest growing social apps with hundreds of millions of users internationally. WeChat empowers users in fun and dynamic ways, by bringing together messaging, social communication and games in one seamless, interactive experience, with comprehensive privacy and security settings that can be tailored as needed. WeChat provides a central point of control for users to share voice, photos, videos, and text messages across their entire social eco-system. Through Official Accounts, WeChat allows brands to deliver rich and high-touch appealing content experiences to engage with and grow their communities. WeChat is available free to download on Android, BlackBerry, iOS, Symbian and Windows operating system.
